for Phase II of the 2005-2008 Waterworks Project.

The first contract on Phase II was awarded to Hiltz construction for installation of new distribution mains in the Linderhof development. These mains were installed in the fall of 2008.

Article 3 of the 2008 Warrant authorized \$300,000 in bonds/notes for capital expenditures to acquire land and easements for the development of an additional well site and to begin development of a well, pump house and water main facilities at the new well site. The site proposed was 50+/- acres on the west side of the railroad tracks part of the Believe in Books property on Route 16/302 opposite Town Hall Road. Unfortunately, the Commissioners were not able to negotiate acceptable terms for the acquisition of this site. We are still pursuing acquiring a well site for a third high-production well.

Northern Mount Washington Valley Water Committee with representatives of Lower Bartlett Water Precinct, Bartlett Village Water Precinct, and Jackson Water Precinct met to discuss common interests in the sale and delivery of municipal water. An agreement was reached between Lower Bartlett and Bartlett Village concerning the limits of each Precinct's franchise extension on Route 302, that location being Bear Peak. Lower Bartlett's mains currently terminate at the base of Cow Hill Road. Further extension of Lower Bartlett's water mains and franchise to Bear Peak has the potential of adding hundreds of new customers in the Attitash area. Members of community systems in that area have expressed interest in receiving water from Lower Bartlett.

2009 Activities

Phase II of the 2005-2008 Authorization is continuing in 2009 with the construction of a 500,000 gallon water storage tank in Linderhof and the upgrade of Pump House #1. Bids have been received on these projects and construction will commence shortly. Other work to be done in 2009 includes extension of water mains on Route 16 and Glen Ledge Road. This contract has been put out to bid. Specifications for construction of a new pump house at the Linderhof tank site are being prepared and this project will go out to bid by the end of the month. Upon completion of the water mains on Glen Ledge Road, the Partridge Woods and Glen Acres community water systems will begin receiving Precinct service (adding 61 new customers). In addition, we anticipate several other homes along the pipeline to hook up.

An application to New Hampshire Public Utilities Commission for an expansion of our franchise west on Route 302 to Bear Peak is in process. The 2005-2008 Waterworks Project Authorization which totaled \$13,500,000 has received funding for Phase I (\$2,800,000) and Phase II (\$5,500,000), which leaves \$5,200,000 authorized but presently not funded. Under that unfunded authorization, two applications were submitted to New Hampshire Department of Revenue Services for funding through the American Recovery and Reinvestment Plan of 2009 (Stimulus Package). One application was for a water main extension to Bear Peak and the other was for an extension on West Side Road to Attitash Woods. These projects were not listed on the State's priority list, and remain pending.

In Closing

Commissioners meetings are held on the second Wednesday of the month at 7:00 p.m., and we welcome public attendance at our meetings. If you plan to attend, please call our office to confirm that the meeting will be held as scheduled. If you have business with the Board, we recommend that you call for an appointment so time can be reserved on our agenda.

The Precinct's Planning Board meets on the third Tuesday of the month at 4:00 p.m. They are working on a revision of the Precinct's Land Use Ordinance and a review and update of the Master Plan. Anyone who would like to participate in this effort, is welcome to attend. We are also in need of volunteers to serve on the Zoning Board of Adjustment which meets, as needed, to consider appeals for exceptions and variances.

Respectfully submitted,

BOARD OF COMMISSIONERS

Richard R. Glines Janice Spinney James F. Rockett

WARRANT FOR THE 2009 ANNUAL MEETING OF LOWER BARTLETT WATER PRECINCT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE LOWER BARTLETT WATER PRECINCT, IN THE TOWN OF BARTLETT, IN THE COUNTY OF CARROLL, IN THE SAID STATE, QUALIFIED TO VOTE IN PRECINCT AFFAIRS:

YOU ARE HEREBY NOTIFIED TO MEET AT THE **BARTLETT TOWN HALL**, TOWN HALL ROAD, INTERVALE, TOWN OF BARTLETT ON **TUESDAY**, **APRIL 14, 2009**, AT 7:00 P.M. TO ACT ON THE FOLLOWING ARTICLES:

ARTICLE 1 To see if the Precinct will vote to choose the following Precinct officers: Moderator, Clerk, Treasurer, Assistant Treasurer, Auditor for one (1) year terms and Commissioner for a three (3) year term.

ARTICLE 2 To see if the Precinct will vote to raise and appropriate the sum of \$135,310 for general government operations for the ensuing year to include: executive, office administration, office expenses, legal and professional services, insurance, and miscellaneous general government expenses.

(The Board of Commissioners recommends this appropriation.) (Majority Vote Required.)

ARTICLE 3 To see if the Precinct will vote to raise and appropriate the sum of \$275,500 for water distribution and treatment for the ensuing year to include: general operations, electricity, telecommunications, treatment chemicals, supplies, tools propane, maintenance, repair and materials.

(The Board of Commissioners recommends this appropriation.) (Majority Vote Required.)

ARTICLE 4 To see if the Precinct will vote to raise and appropriate the sum of \$292,056 for payments of principal and interest on any Precinct bonds or notes, and in connection therewith to authorize the application of the sum of \$90,000 from the balance of the Unreserved Fund existing on December 31, 2008 for this purpose.

(The Board of Commissioners recommends this appropriation.) (Majority Vote Required.)

ARTICLE 5 To see if the Precinct will vote to raise and appropriate the sum of \$50,000 for capital expenditures to make various miscellaneous improvements, including enhancements to the Precinct's telemetry system, distribution system and water storage tanks.

(The Board of Commissioners recommends this appropriation.) (Majority Vote Required.)

ARTICLE 6

To see if the Precinct will authorize the Board of Commissioners to apply for, accept and expend such additional sums, grants and loans as may become available from federal, state or other sources, (a) to assist in the financing of authorized Waterworks Improvement Projects, (b) for emergency purposes, and (c) for interconnections of community water systems.

(The Board of Commissioners recommends this authorization.) (Majority Vote Required.)

ARTICLE 7 To transact such other business as may legally come before the meeting.

GIVEN UNDER OUR HANDS AND SEALS THIS 25TH DAY OF MARCH, 2009.

Richard R. Glines

Commissioner

Janice Spinney

James F Rockett,

State of New Hampshire CARROLL, SS

LOWER BARTLETT WATER PRECINCT

RECORD OF PUBLIC HEARING 2007 BUDGET/BOND HEARING WEDNESDAY, MARCH 18, 2009

A Public Hearing was held on Wednesday, March 18, 2009, at the Precinct Office, Route 16/302, Intervale, Town of Bartlett, New Hampshire. The meeting was called to order at 7:00 p.m. by Commissioner Richard Glines. In addition to Commissioner Glines, Commissioners Janice Spinney and James Rockett were present. There was a quorum of Commissioners. The following voters were also present: Francis Savard, Dennis Egan, and Elizabeth Gray. Advisory Committee members in attendance were: Gerry Savitkas (Linderhof Mountainside) and Anne Chase (Partridge Woods/Attitash Woods). Also present were Bill Luther, President of Christmas Mt. HOA, Francis Lyons (System Superintendent), and Marilyn Lyons (Precinct Bookkeeper). Mr. Glines asked that the minutes of the Hearing be taken by Elizabeth Gray.

Notice of the Hearing was duly posted at the Precinct Office on March 5 and Hill's Florist on March 6 (two public places within the Precinct), and Intervale Post Office and Bartlett Town Hall on March 5, 2009. Notice was published in the Conway Daily Sun on March 5 and March 18, 2009, and posted on the Precinct website on February 24. Ref. RSA 32:5.

The Public Hearing was held to review the proposed 2009 Budget and Warrant Articles to be considered at the 2009 Annual Meeting to be held on Tuesday, April 14, 2009, at the Bartlett Town Hall. A hand-out was distributed which included (1) Financial Summary, 2008 Actual/2009 Budget, and (2) a draft of the 2009 Warrant. (A copy of the hand-out package is attached to these minutes). (Per the Precinct attorney, previous authorizations 2005-2008 cover our current plans regarding the stimulus application. No additional authorization will be required this year.)

Mr. Glines opens the meeting and announces that it is a Budget/Bond Hearing and also a meeting of the Precinct Advisory Committee. He refers to the Notice that was published in the Daily Sun. The purpose of the meeting is to present the Budget, a draft of the Warrant Articles, including an Article for proposed water system expansions and the issuance of bonds and/or notes in connection therewith.

Mr. Glines asks if anyone wants to make a motion to forego reading each Article. Upon motion duly made and seconded, the motion passes.

Francis Savard is concerned with the amount budgeted for legal and professional. Mr. Glines says we are applying for a PUC franchise extension, so that will cost at least \$10,000 for legal. Mrs. Lyons says the audit costs have increased because we are required to hire a CPA to prepare financial statements in accordance with government accounting standards. This is costing the Precinct an additional \$3,000.

Mr. Savitkas asks about the grant money that won't be applied to the storage tank at Linderhof. He asks if we can look at it again. Mr. Glines says the terms of the stimulus package have not been ironed out. The rates have not yet been set. He says it is worth applying for it to see what we can get. Mr. Glines gives a brief history of the meetings with Bartlett Village and Jackson Water Precinct regarding interconnection. Based on those talks, Lower Bartlett will attempt to service up to the driveway at Bear Peak. Mr. Glines says we have applied for stimulus money to extend the water line from Cow Hill west on Route 302. We estimate this will bring in an additional 500 hookups. Mr. Glines says a second application has been submitted for Attitash Woods with the intent of fast-tracking that project. Ms. Chase asks if we do not get stimulus

funds, would Attitash Woods be out? Mr. Glines says it would be out for 2009, but we would still try to get it done.

Mr. Savard asks about the status of the third well. Mr. Glines says it is on hold for now. The Precinct has been granted a wetlands permit, and we are still open to it, but we have no plans to move ahead at this time. Ms. Spinney says the voters approved the purchase of 50 acres of land, but the acreage offered was greatly reduced.

There being no further business, upon motion made and seconded the 2008 Budget/Bond Hearing was adjourned at 7:50 p.m.

At 7:50 p.m. Mr. Glines opened the Precinct Advisory Committee meeting (separate minutes, attached).

At 8:12 p.m. the Commissioners open a work session meeting.

Mr. Glines says a check for \$2,500 has been received from Cow Hill to pay for preliminary engineering.

Edits have been made to the Precinct Emergency Plan per the Commissioners' request. The Board reviews the changes. Upon motion duly made, seconded, and voted, the changes to the Emergency Plan are approved.

Mrs. Lyons mentions that the Warrant and Budget will be distributed to the Board for their signatures prior to posting.

There being no further business, upon motion made and seconded, the work session is adjourned at 8:15 p.m.

STATE OF NEW HAMPSHIRE CARROLL, SS

LOWER BARTLETT WATER PRECINCT

AUDITOR'S CERTIFICATE

I hereby certify that on April 8, 2009, I examined the accounts, books, vouchers, statements and other financial records of the Treasurer of the Lower Bartlett Water Precinct for the year 2008 and found them, to the best of my knowledge and belief, to be true and accurate and in proof with the records of Northway Bank and United States Department of Agriculture/Rural Development.

I further attest that I have examined these records to determine whether all revenues to which the Precinct is entitled have been collected or verified as outstanding accounts receivable, and to determine that expenditures have been property authorized and are supported by appropriate invoices.

In addition, Mason & Rich Professional Association, Accountants and Auditors, of Concord, New Hampshire, have performed audits (in accordance with Generally Accepted Government Accounting Standards) of the years 1996 through 2007. Reports of these audits are available for review. An audit for the Year 2008 is in progress.

Respectfully submitted

David T. Gorke, Auditor

Date: 4/8/2009
